To Whom It May Concern:

I would like copies of records of local and long distance phone bills and call logs of the highest ranking individual at your agency from the week of October 16–23, 2005. This includes the individual's office phone as well as any cell phone paid for with public funds. Please send copies of the records to me. Because these records are in the public interest, I ask that you waive any reproduction costs.

Thank you,
